

Student Participation Extract Guide

Column	Field Name	Details
A	Grade Group	The grade the student 's participation is calculated
B	Reporting School	The school accountable for participation
C	Enrolled School	The school the student was enrolled at on Friday, May 8, 2015 as submitted to the SDE via ISEE
D	EduId	The Student EDUID
E	First/Middle Name	Student's first and middle name
F	Last Name	Student last name
G	Birthdate	Student Date of Birth
H	Gender	Student Gender
I	Grade	Student Grade
J	Enrollment Date	Student School Enrollment Date as submitted to the SDE via ISEE
K	Exit Date	Student School Exit Date as submitted to the SDE via ISEE
L	Race/Ethnicity	Student Race/Ethnicity Category for accountability reporting
M	Is LEP	Student is identified in the LEP Program as submitted to the SDE via ISEE
N	LEP Status	If 'Is LEP' = Y – the LEP Program Status
O	IsEconDis	Student is identified as a participant in the FRL program - submitted to the SDE via ISEE
P	IsSpecialEd	Student had an active IEP on May 8, 2015
Q	IsMigrant	Student is identified in the Migrant program a - submitted to the SDE via ISSEE
R	IsHomelless	Student is identified as Homeless in the ISEE report
S	IsForeignExchange	Student is identified as a Foreign Exchange Student using the appropriate district or school entry code in the ISEE report
T	IsHomeschool	Student is identified as a home school student. Student is submitted in ISEE as grade level 'PH'
U*	ELA Required Participation Students marked Y are counted in your participation rate for this content area	ELA Participation Required is a calculated field Y Student was enrolled in the school on May 6, 2016 AND Student is NOT LEP1 AND Student enrolled in a required testing grade level
V	ELA Exclusion	Reasons why a student was not required to test or why the student was excluded from the participation rate calculation
W	ELA Testing School	The school where the ELA test was taken. This would be different than reporting school if the student took the test at school A and moved to school B during the test window.
X*	Final ELA Participation Determination	Y = Student participated in appropriate content assessment for their grade level (Smarter Balance Field Test participation required CAT AND PT)
Y	ELA Test Type	The ELA test the student participated in. This may be Smarter Balanced, ISAT, NCSC or ISAT Alt, depending on the student and their testing grade level
Z*	Math Participation Required	Math Participation Required is a calculated field Y = Student was enrolled in the school on May 6, 2016 AND student was enrolled in a required testing grade level N = Student was not enrolled in the school on May 6, 2016 OR The student was not enrolled in a required testing grade level

Student Participation Extract Guide

AA	Math Exclusion	Reasons why a student was not required to test or why the student was excluded from the Math participation rate calculation
AB	Math Testing School	The school where the Math test was taken. This would be different than reporting school if the student moved to a new school after taking the math test at their previous school
AC*	Final Math Participation Determination	Y = Student participated in appropriate content assessment for their grade level (Smarter Balance Field Test participation required CAT AND PT)
AD	Math Test Type	The Math test the student participated in. This may be Smarter Balance, ISAT, NCSC or ISAT Alt, depending on the student and their testing grade level

*ELA Participation rate was determined by dividing the number of students coded Y in Column X by the students coded Y in Column U

*Math Participation rate was determined by dividing the number of students coded Y in Column AE by the students coded Y in Column AB

Formula Utilized for Participation

Required Participation
Final Participation Determination
